Subject: RDX -- draft for second ERC review

Dear Lynn,

Attached is the latest version of the RDX assessment, ready for the second round of ERC review. We've provided a summary of how we addressed the major ERC issues, compare copies to the draft tox review and supplemental materials that the ERC reviewed previously, as well as a copy of the charge (which has not yet changed).

Apologies that there are still some formatting issues interspersed through the documents, but hopefully nothing so major that it should get in the way of ERC review. Let us know if you have any questions.

Thanks,
Sue and Lou
